## Design2Wall Non-Woven

### ■ matte 2534

#### PRODUCT DESCRIPTION

Sihl's line of Design2wall non-woven wallpaper is the newest option in custom interior decoration and design. All of Sihl's Design2wall products provide dimensional stability, exceptional lightfastness, PVC free, and flame-retardant qualities that are key aspects to a successful wallcovering design. Sihl's 2534 is an embossed product that provides linen pattern to create a unique look and feel for any wall. 2534 is also coated for higher performance, so it produces excellent color reproductions. All Design2wall products must be applied with a standard wallpaper paste.
