

3419 Sihl LightCURE Backlit Film Matte

PRODUCT DESCRIPTION

3419 LightCURE Backlit Film is a 7 mil, matte backlit film compatible with UV and newer series Latex inkjet wide format printers. LightCURE's polyester base is dimensionally stable and tear resistant which makes it easy to install, impervious to changes in temperature, and suitable for use in indoor and outdoor lightbox displays. The performance of LightCURE backlit outweighs the price and since it's PVC free, it's kind to the environment as well!
