

2512

Design2Wall Non-Woven Matte 13 mil

PRODUCT DESCRIPTION

2512 Design2wall non-woven wallpaper is the newest option in custom interior decoration and design. All of Sihl's Design2wall products provide dimensional stability, exceptional lightfastness, PVC free, and flame-retardant qualities that are key aspects to a successful wallcovering design. Sihl's 2512 provides a soft suede feel and is produced with our high performance coating creating excellent color photo reproductions. Sihl 2512 also carries an ASTM – E84 Class A fire certification. All Design2wall products must be applied with a standard wallpaper paste.
