

## 3148 Absolute™ Clear Film w/Interleaf 4 mil

### PRODUCT DESCRIPTION

**3148 Absolute™ Clear Film Gloss with Interleaf** is the clearest inkjet on the market today. This 4.5 mil film features extremely fast drytimes, and high inkload capacity without sacrificing true optical clarity. Sihl 3148 also features an acid free interleaf paper to prevent scratching as the film feeds through any printer. The interleaf paper provides aqueous printers utilizing media sensing systems the needed contrast for print viewing prior to application. Sihl 3148 is designed for film separations, window graphics, package prototyping, and other applications requiring optical clarity.
