

3166 ClearSTICK Adhesive Clear Film

PRODUCT DESCRIPTION

3166 ClearSTICK™ is a 2mil clear polyester film with an unmatched ultra clear inkjet coating coupled with an easy to apply, ultra clear removable adhesive. The frosted liner provides wide capability* with printers utilizing media sensing systems and provides needed contrast for print viewing prior to application. Sihl 3166 is ideal for interior application to super smooth surfaces such as glass.

*For HPZ printers Sihl recommends using part #: 3166-9 w/side stripe
