#### Technologies

Solvent
Latex
UV

#### Tips

##### Handling:

- HANDLE WITH CARE! For best results keep the product clean and do not touch the print surface as this may cause issues in the final print. Keep in mind that this is an aluminum product, if bent or dented the surface will keep that shape. We recommend that you keep the roll in its original packaging wound tightly, and not to place the roll on its ends this may also dent the product.
- We do not recommend that vehicles drive over this media!

Available Widths: 37.8", 54" x 32.8' - 3" core
