

## 3550 ClearSOL™ WetCling Film Gloss 5mil

### PRODUCT DESCRIPTION

**3550 ClearSOL™ WetCling Film** is a unique, super clear film for solvent inks. Not only can it be used as a standard clear film, its specially formulated coating makes it a wet-cling film as well! ClearSOL produces high color images with Solvent, Latex, and UV ink systems.

A step by step application video can be found here:
