

SIHL

INK COMPATIBILITY

3906 TB2 is an 11 mil indoor/outdoor Tyvek® banner featuring a subtly textured, bright white surface with a smooth matte finish. This durable banner material offers excellent print performance with excellent ink adhesion, rich black density, and vibrant color.

It is water, fade, and scratch-resistant, making it ideal for short-term outdoor use. Compatible with Aqueous, Latex, and Solvent printers, this Tyvek® banner is versatile for applications such as fence banners, hanging banners, and construction signs.
